Mathematics for Computer Graphics 2009-AAU
Lecture 8, September 28th

8th Lecture: Monday September 28th, 12:30-16:15 at room A4-108.

- 12:30-13:00 Lecture: Repetition from last recture. Affine transformations, translation, rotation (basic).

- 13:00-14:55 Work in groups. Exercises: *I prioriteret rækkefølge:* 74, 75, 76, 77, 86. *I prioriteret rækkefølge:* 89, 88, 94, 87. *I prioriteret rækkefølge* 72, 73.

  If you solve these exercises you may try to solve the ones you did not solve in previous lectures.

- 14:55-16:15 Lecture: Rotation (general) (pages 145-150).

Best,

Diego Ruano
